HOOPER ACCOUNTANTS CORPORATE CHALLENGE

FRIDAY, OCTOBER 11TH

PRESENTED BY OPAL ADVICE

COST: \$400 + GST
(TEAM OF 3)

Take on the Challenge!

Introduced in 2013, the Corporate Challenge presented by Opal Advice provides a fantastic opportunity for the business community to experience an international tennis tournament as a player rather than purely as a spectator.

Played in conjunction with the Hooper Accountants Toowoomba International, the Corporate Challenge pits local corporate teams against each other in a fun, social and somewhat competitive round robin doubles event.

With an emphasis on having fun, the Corporate Challenge presented by Opal Advice provides competing teams with the opportunity to win fantastic prizes as well as an experience to remember.

Teams are also encouraged to raise much needed funds for Charity of Choice Hope Horizons with a fantastic prize on offer for the team that raises the most funds. To start your campaign, \$100 of your entry fee will be donated to Hope Horizons on your behalf.
